

Thank you for your interest in teaching at Bethany Christian School. We follow Bob Jones University Press curriculum which teaches a literal 6-day creation, a recent earth, and justification by faith alone in Christ alone. Applicants would need to hold these beliefs and be able to teach advanced science classes.

We will hire highly-qualified applicants with a high school diploma, but prefer a college degree.

Currently for the 2025-2026 school year we are seeking to hire a kindergarten teacher and another teacher for the primary grades. There is some flexibility as to the grade that is available.

Due to the expansion of our staff in the secondary school, we are looking for a general-ed teacher that would have primary duties in 7-8th grades.

Salary for fully-qualified applicants is \$30,000. If you are available to teach part time in the secondary school, the salary is \$45 per class.

The school is located at 3300 W. Parker Road, Plano, TX 75075 (south central Plano).

More information is available by calling the school office at 972 596 5811.

You may send a resume to Andrea@bethanybible.com, but you will also be asked to complete an employment application.

Please fill out an application and email it to Bethany.christian@verizon.net
